November 10, 2011

Gary M. Stern
General Counsel
National Archives and Records Administration
700 Pennsylvania Avenue, NW
Washington, DC 20408

Dear Mr. Stern:

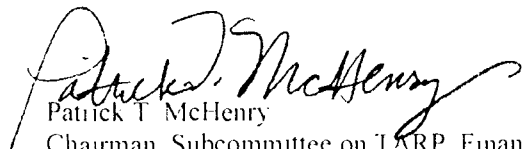

It is my understanding that the National Archives and Records Administration (NARA) is in possession of records from the Congressional Oversight Panel (COP). The Subcommittee on TARP, Financial Services, and Bailouts of Public and Private Programs is conducting oversight of the COP, and the records in NARA's possession are essential to the Subcommittee's oversight. I am writing to request that NARA provide electronic copies of these records to the Committee.

Specifically, the records of interest to the Committee consist of the internal work product of the COP, including e-mails, memoranda and any financial accounting records that may be available. Members of NARA staff have informed us that this material was transferred to NARA electronically and can be copied onto electronic storage media for delivery to our Committees. We request that NARA produce to the Committees identical copies of the internal work product of the COP that was provided to NARA.

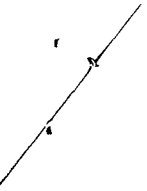

We request that you provide the requested documents and information as soon as possible, but no later than 5:00 p.m. on Friday, November 18, 2011. When producing documents to the Committees, please deliver production sets to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

If you have any questions about this request, please contact Christine Marin of the Committee Staff at (202) 225-5074. Thank you for your attention to this matter.

Sincerely,

Patrick T. McHenry
Chairman, Subcommittee on TARP, Financial
Services, and Bailouts of Public and Private Programs
